

ABOUT THE JEWELS PROJECT

THE AIM OF THE JEWELS PROJECT IS TO PRESERVE, SHOWCASE, AND HONOR TWO HISTORIC SITES IN ITHACA, NEW YORK THAT WERE INSTRUMENTAL TO THE FOUNDING OF ALPHA PHI ALPHA, THE FIRST INTERCOLLEGIATE GREEK-LETTER FRATERNITY ESTABLISHED FOR AFRICAN-AMERICANS.

SPECIFICALLY, THE JEWELS PROJECT INTENDS TO:

- › ACQUIRE THE SITE OF THE 411 EAST STATE STREET RESIDENCE AND REPLICATE THE ORIGINAL FAÇADE; AND
- › ACQUIRE THE 421 NORTH ALBANY STREET RESIDENCE AND RESTORE IT TO ITS ORIGINAL CONDITION (CONTINGENT UPON SECURING THE OWNER'S CONSENT TO SELL).

THE JEWELS PROJECT WILL SEEK TO ADD THESE HISTORIC SITES TO NATIONAL, STATE, AND LOCAL HISTORIC REGISTERS.
